PROFILE

User-centered UI designer with a background in teaching and customer service. Experience in developing solutions catered to the needs of the targeted user. Highly skilled at crafting functional and visually engaging interfaces for mobile, tablet, and desktop screens.

PROJECTS

HANDICRAFT | ECOMMERCE

CareerFoundry Student Project

- Native IOS and Android mobile application
- Platform for artists and craftsmen to sell work online with focus on selling locally
- Designed high-fidelity screens, multiple prototype iterations and a style guide through various rounds of usability and preference tests.

OODLES | FINANCE

CareerFoundry Student Project

- IOS mobile application with a limited web accessed dashboard
- Enables users to achieve their financial objectives in a simple, intuitive, application
- User-centered by conducting user research, multiple user tests, and A/B preference testing

PLANTSITTER | LOCATION-BASED

CareerFoundry Student Project

- Location-based web application available for mobile, tablet, and desktop
- Applied user-centered design process to create a responsive web app for finding community members to care for houseplants
- Defined user needs and goals through user interviews and surveys, and developed personas, customer journey maps and sitemaps.

EXPERIENCE

K-5 ART SPECIALIST

Clark County School District, Las Vegas NV

2019 - 2021

- Supervised and assessed 700 students' artistic progress following national, state, and local standards
- Collaborated regularly with other educators
- Maintained discipline and high academic standards
